# + TASK **SIDEWINDER**<sup>®</sup>

## TASK SUPPORT VEHICLE

**TASK****SIDEWINDER**<sup>®</sup>

**SUPPORT  
VEHICLE**

### EXCEPTIONAL STABILITY.

The SIDEWINDER<sup>®</sup> exhibits quality, durability and Tasks ability to remain at the forefront of design. The specially designed 'I' beam mast section provides stability, whilst the re-enforced steel top and rear covers enhance the structural integrity and safety of the unit

### TAKE CONTROL.

TASK<sup>®</sup> were one of the first forklift manufacturers to utilize power steering in their pedestrian stackers. Now every TASK<sup>®</sup> unit is fitted with power steering as standard. The electric power steering allows operators to maneuverer the SIDEWINDER<sup>®</sup> in tight spaces.

The SIDEWINDER<sup>®</sup> incorporates a functional, dual-hand operating system allowing for full control of the unit.

### INDUSTRIAL POWER.

The SIDEWINDER<sup>®</sup> is supplied with an industrial battery allowing operators multiple shift use before needing to be recharged. The inbuilt charger allows users to charge the machine via a standard 110V wall plug.

### SAFE. STABLE. EFFICIENT.

Our SIDEWINDER<sup>®</sup> Task Support Vehicle offers operators an innovative solution to aid with projects at elevated heights in a safe, stable and efficient unit.
