

## PRO XD FULL-SIZE KINETIC

# ALL POWER. ALL ELECTRIC.

Give The Work Day 100% With  
Zero Emissions | Zero Traditional Fuel Costs | Zero Compromises

## ZERO EMISSIONS

### TAKE ON SUSTAINABILITY

Environmental, Social and Government requirements aren't going anywhere—in fact, they're only growing. Take them on with confidence with Pro XD Kinetic.

### LESS NOISE POLLUTION

Not only are you taking tailpipe emissions out of the mix, but our electric drivetrain also gives you reduced sound levels that improve the operator's situational awareness and enables quiet-zone usage.

### DO MORE WASTE LESS

Scratch oil changes, filter replacements, spark plugs and clutch maintenance from your to-do lists—forever.

# ZERO TRADITIONAL COST

## GOOD FOR THE PLANET AND YOUR WALLET

Experience the same power and performance but with 60% less operation and maintenance costs than the average for similar gas-powered vehicles. In fact, fuel savings alone are estimated to be \$2,800 over 5 years.

## NEXT-GEN BATTERY POWER

Forget all the hassles and costs of flooded acid batteries, and experience the convenience, resilience and performance of Li-Ion battery technology.

# ZERO COMPROMISES

## IMPRESSIVE RANGE

Go the distance, all day and every day, with an up to 45-mile range\*.

\*Range estimates based on manufacturer data on typical customer driving usage and conditions. Actual range varies based on conditions such as external environment, weather, speed, cargo loads, rates of acceleration, vehicle maintenance and vehicle usage.

## SHOCKINGLY POWERFUL

With 1,250 lbs cargo hauling and 2,500 lbs max towing, this machine is built to work without leaving cargo behind.

## NO NEW INFRASTRUCTURE NEEDED

Enjoy no additional infrastructure set up with 110V standard charging, or kick things into top gear with optional 220V fast charging.

## WORK HARDER FOR LONGER

Less serviceability and more uptime with 1,000 mile maintenance intervals.
