Gregory Poole

LIFT SYSTEMS

When you purchase our equipment, you're investing in more than equipment, you're partnering with a company that has been serving customers with integrity and expertise since 1951. Gregory Poole stands behind every machine with the best product support in the industry and customized solutions to help keep your operation moving. For more than seven decades, customers have trusted Gregory Poole to deliver reliability, service, and results.

The Gregory Poole Advantage

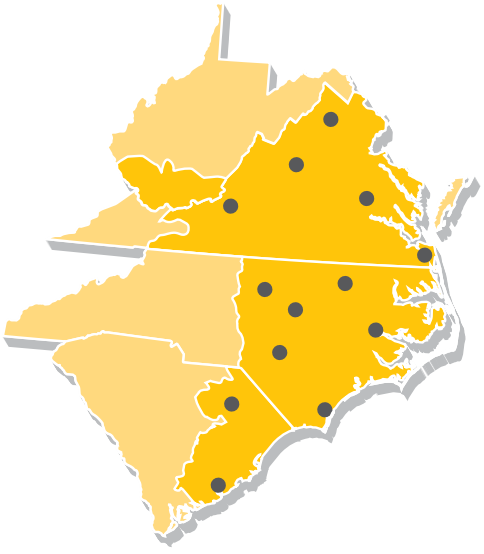

FACILITIES

Gregory Poole Lift Systems has thirteen conveniently located full service facilities covering North Carolina, South Carolina, Virginia & West Virginia - more than any other lift truck distributor in the area.

Each facility is staffed with experienced and highly trained lift truck technicians, state of the art tooling, and a fully stocked parts department to serve your lift truck repair needs. We are environmentally compliant and conduct quarterly safety audits at each location.

Staff and Facilities

- *275+ trained technicians*
- *475+ associates*
- *240 fully equipped and stocked service vans*
- *60+ shop and on-site technicians*
